EH MASS UPDATE PROCESSING

The State Controller's Office (SCO) processed an Employment History (EH) mass update on July 24, 2014 to post a SAL transaction effective July 1, 2014 for eligible employees. Only employees with a salary rate below the new minimum salary rate for each range and or/step were updated to increase their salary to the new minimum salary range and/or step; employees already above the new minimum are not entitled to an increase.

SPECIAL EH DOCUMENTATION/PROCESSING INSTRUCTIONS

Disability/Military Leave

Employees on Disability or Military leave at the time of the mass update will need to be identified and updated by departments.

Lump Sum

Employees who separated from state service without fault prior to the effective date of the salary increase with lump sum pay extending beyond 07/01/14, and who were eligible for the SAL at the time of the separation, should have their lump sum adjusted to reflect the salary increase. Departments will need to identify and manually process the SAL transactions for separated employees, as applicable.

Out-of Sequence

Once the SAL transaction is posted to an employee's EH record, any new out-of-sequence transaction must have the old salary rate entered, if allowable on the transaction. If not entered, the salary rate information per the SAL transaction will be reflected on the new transaction and could cause an overpayment. See PAM Section 9 for further processing information.

If correcting a 07/01/14 effective date transaction that was processed prior to the SAL being posted, please send to PPSD for processing. Per CalHR rule 599.689, MSA transactions with a 07/01/14 effective date must be posted prior to the SAL, if applicable.

PAYROLL ADJUSTMENTS

Departments will need to submit Form STD. 674/674D to request adjustments for the following payments that may have issued without the salary increase for the 07/2014 pay period:

- Regular pay with dock applied for employees with a mid-month change.
- Regular pay for employees on an alternate work schedule or working shift and time paid does not equal time possible for the pay period.
- Industrial Disability Leave (IDL).
- Temporary Disability (TD).
- Nonindustrial Disability Leave (NDI) if benefits began after the 06/2012 pay period.
- NDI Annual Leave supplementation.
